

CHAPTER XXVI

**CEMETERY SIZE REQUIREMENTS FOR
CONSTRUCTION OF MAUSOLEUMS**

SECTION 26.00 The Town Board of the Town of Lyons, Walworth County, Wisconsin, does ordain as follows:

SECTION 26.01. In accordance with the provisions of Sections 157.12 (2) (c) 2 and 66.057 (2) of the Wisconsin Statutes the Town Board of the Town of Lyons has deliberated and heard input with regard to the minimum acreage size of a cemetery as would allow for construction of a mausoleum. The Board acknowledges that but for an ordinance change, the minimum acreage is 20 acres. The Board has determined that 8 acres is sufficient size for a cemetery as would reasonably allow for the construction of a mausoleum.

SECTION 26.02. Chapter 26.00 of the Code of Ordinances of the Town of Lyons is hereby created to read as follows:

After obtaining appropriate building permits and approvals from the designated agencies of the State of Wisconsin, mausoleums may be constructed and utilized in cemeteries of a minimum size of at least 8 acres provided that cemetery has been in existence for a period of at least 10 years.

SECTION 26.03 This ordinance shall take effect upon passage and posting.

Passed and adopted by the Town Board of the Town of Lyons, Walworth County, Wisconsin, this 10th day of September, 1996.
